Advocate to Increase Funding and help MA in Getting To Zero

The HIV/AIDS/HCV line item allows the Commonwealth to:

- **support those living with HIV and/or Hep C**
- **prevent new infections**
- **connect newly diagnosed individuals to care**
- **provide services to the growing number of people with HIV/AIDS who are living longer.**

Time to Visit Your Legislators & Their Staff

On April 8th, join us to educate your legislators and their staff about these important issues and encourage them to increase critical funding for HIV, Hep C, and Opioid prevention & treatment in the Fiscal Year 2020 state budget.

Please support \$32.3 M for HIV/AIDS/HCV Line Item (4512-0103)

Getting to Zero in MA is possible with investment in programs that work!
