## Advocate to Restore Funding and help MA in Getting To Zero

Budget cuts cripple the Commonwealth's ability to

- **prevent** new infections
- **connect** newly diagnosed individuals to care
- **provide** services to the growing number of people with HIV/AIDS who are living longer.

### Time to Visit Your Legislators & Their Staff

On April 23<sup>rd</sup>, **join us to educate your legislators** and their staff about these important issues and encourage them to restore critical funding for HIV, Hep C, and Opioid prevention & treatment in the Fiscal Year 2019 state budget.

Please support \$30.8M for HIV/AIDS/HCV Line Item (4512-0103)
